

**Outstanding actions from West Essex CCG Board Meeting in Public**

Item No	Action	Action Owner	Outcome
008.36/19	AG requested that he is provided with a briefing advising of the results from the health needs assessment and gaps identified prior to the meeting with Robert Halfon at the end of April 2019.	Peter Wightman PW	The health needs assessment is still ongoing.
012.08/19	Following a comment by SK at the January meeting regarding the change in the former North East Essex arrangements for mental health, the CCG is reviewing other arrangements in Essex, together with their level of robustness. This work will be presented to the Board in May.	John Leslie JL	A paper regarding joint commissioning arrangements is included on the agenda.
