| Policy Statement: | Bobath Therapy |
| Status: | Not Normally Funded |

Bobath therapy is a neurodevelopmental treatment approach / concept for the assessment and treatment of individuals with neurological conditions.

Referral for assessment and / or treatment at Bobath centres falls outside commissioned therapy services and will not be normally funded.

Patients who are not eligible for treatment under this policy may be considered on an individual basis where their GP or consultant believes exceptional circumstances exist that warrant deviation from the rule of this policy. Individual cases will be reviewed as per the CCG policy.
